---

- The appointment of the Board of Statutory Auditors for the three-year period of 2024–2026, consisting of: Carlo Alberto Nicchio (Chairman); Jacopo Doveri; Giuseppe Gentile; Luca Domenico (alternate) and Alberto Adriano (alternate); the annual Board of Statutory Auditor compensation of €18,000 for the Chairman and €12,000 for each member, on an advisory basis.

- The amendment of article 9 of the Bylaws introducing increased voting rights, by introducing a mechanism whereby each share owned by the same entity for a continuous period of not less than twenty-four months entitles the holder to a double vote and therefore to an increase from one to two votes per share. In addition, a further vote is attributed at the end of each twelve-month period, following the first vesting period of twenty-four months, in which the share has belonged to the same entity, up to a total maximum of ten votes per share.

Articles 10 and 11 of the Bylaws have been amended accordingly (the amended Articles 9, 10 and 11 together, the “Bylaw Amendment”), stating that the quorum provided for therein to submit the slates for the appointment of directors and Statutory Auditors shall be calculated based on the outstanding voting rights instead of the outstanding number of shares.

The mechanism described above upon which the voting rights could be increased up to ten votes per share grants dissenting shareholders the right to withdraw from the Company pursuant to article 2437 of the Italian Civil Code.

In the event of the exercise of the right of withdrawal, only the mechanism upon which the voting rights will be increased up to two votes per share will be effective; without prejudice to this, the Bylaw Amendment will become effective upon the registration of the shareholders’ meeting resolution in the companies’ register.

Shareholders who intend to exercise the right of withdrawal as indicated above, are kindly invited to contact the Company at the certified e-mail address [genentascience@legalmail.it](mailto:genentascience@legalmail.it) within fifteen days of the date hereof.

## TITLE IV

### Article 9 – Shareholders’ meetings

9.1 Shareholders’ meetings shall be held at the registered office of the Company or elsewhere, provided that the location is in Italy or in another country within the European Union or in the United States of America.

Shareholders’ meetings can be called at any time as the Board of Directors deems it necessary or upon request by Shareholders representing at least 10% of the share capital.

Ordinary Shareholders’ meetings shall be held at least once a year, within 120 days following the end of the financial year or, if special circumstances so warrant or the Company is required to prepare consolidated financial statements, within 180 days following the end of the financial year. In such cases the Board of Directors shall specify the reasons for such extension in its report to Shareholders.

9.2 Shareholders with voting rights are entitled to attend Shareholders’ meetings. The right to attend the meeting and exercise voting rights shall be attested by a report of eligible Shareholders delivered to the Company by the transfer agent based on its books and records as of the close of business on the seventh business day prior to the date established for the Shareholders’ meeting (assuming that the meeting is convened on the earliest date noticed to Shareholders).

Subject to applicable law, Shareholders entitled to vote at a Shareholders’ Meeting may vote in advance of the Shareholders’ Meeting by mail or, if specified in the notice of the meeting, electronically in such manner as specified therein.

9.3 Shareholders’ meetings, both ordinary and special, shall be called by notice published in the Italian daily newspaper “Il Sole 24 Ore” at least fifteen days prior to the date of the meeting or otherwise given by the Company, provided that so long as the Company is allowed by applicable Italian law, by sending, either in the alternative to or in addition to the foregoing published notice, a notice to the Shareholders, to the members of the Board of Directors and to the members of the Board of Auditors, by:

- a) registered mail with return receipt requested;
- b) e-mail with electronic acknowledgment of receipt;

as long as the notice is received by the addressee at least 8 calendar days before the date set for the meeting with evidence thereof as provided above.

The notice shall also be posted on the Company’s web site.

The notice shall set forth the agenda for the meeting as well as the date and place where the meeting is to be held and the date for an adjourned meeting in the event a quorum is missing on the original date set for the meeting.

9.4 The Shareholders’ meeting shall be chaired by a person selected by those in attendance.

9.5 Both ordinary and special Shareholders’ meetings may also be held via teleconference or videoconference, provided that all participants can be identified, that they can follow the discussion and that they can hear and be heard live with respect to the matters on the agenda and are able to express their vote simultaneously on such items.

---

The meeting notice may specify alternative locations, whether in the registered office or elsewhere, where Shareholders may convene to participate via teleconference or videoconference connection.

Should these conditions be met, it is not necessary for the person chairing the meeting and the person acting as secretary for the meeting to be present at the same location. The meeting shall be deemed to be held at the location where the person acting as secretary to record the minutes of the meeting is present. In the event that the above conditions are not met, the meeting shall be deemed to have been validly convened and held so long as the entire share capital is present or duly represented and a majority of the members of the Board of Directors and the Board of Auditors are in attendance; provided that in such event, any Shareholder or other participant present may object to the discussion of items with respect to which he/she does not deem to have been adequately informed.

9.6 A Shareholders' meeting shall be deemed to have been validly called and convened and can duly act according to such majorities as provided by applicable law.

9.7 At an ordinary Shareholders' meeting Shareholders may adopt resolutions with respect to any and all matters as to which Shareholders have the power to vote pursuant to applicable law or this corporate charter.

9.8 At a special Shareholders' meeting Shareholders may adopt resolutions with respect to any amendments to this corporate charter, the issuance of debt securities convertible into shares, any issuance of additional shares (*aumento di capitale*), the appointment, replacement and powers of receivers and liquidators, and any and all other matters as to which Shareholders have the power to vote pursuant to applicable law or this corporate charter.

9.9 Each share entitles the holder to one vote, subject to the provisions of this Bylaws with respect to particular classes of shares and subject to Article 9.11.

9.10 Any shareholder may name a proxy to represent such Shareholder at the Shareholders' meeting subject to section 2372 of the Italian Civil Code.

9.11 Each share shall entitle the shareholder to a double vote (i.e. two votes for each share) if the share has been held by the same entity for a continuous period of not less than twenty-four months from the date of its registration in the register of shareholders as set out below. An additional vote shall also be granted upon the expiration of each twelve-month period, following the expiration of the period referred to above, in which the share has been held by the same entity, up to a total maximum of ten votes per share.

For this purpose, a special list, governed by this Article (the "Special List"), is included in the shareholders' register. In order to obtain the increase, the shareholder must submit a specific application, enclosing a communication certifying the share ownership – which may also concern only part of the shares held by the shareholder – issued by the intermediary with whom the shares are deposited pursuant to the laws in force. In the case of entities other than individuals, the application must specify whether the entity is subject to direct or indirect control by third parties and the identification data of the controlling entity, if any. The Special List is updated by the Company. The Company proceeds to the cancellation from the Special List in the following cases: renunciation of the interested party; communication of the interested party or of the intermediary proving the loss of the prerequisites for the increase of the voting right or the loss of the ownership of the right; ex officio, when the Company is informed of the occurrence of facts that entail the loss of the prerequisites for the increase of the voting right or the loss of the ownership of the right.

---

The increased voting right shall cease to exist: in the event of a transfer for consideration or free of charge of the share, it being understood that “transfer” also means the establishment of a pledge, usufruct or other encumbrance on the share when this entails the loss of voting rights by the shareholder; in the event of direct or indirect transfer of controlling shareholdings in companies or entities that hold shares with increased voting rights. The increased voting rights: are preserved in the event of succession due to death in favour of the heir and/or legatee; are preserved in the event of a merger or demerger of the holder of the shares in favour of the company resulting from the merger or beneficiary of the demerger; are proportionally extended to newly issued shares in the event of a capital increase pursuant to Art. 2442 of the Italian Civil Code and an increase in capital through new contributions made in the exercise of option rights; it may also apply to shares assigned in exchange for shares to which the increased voting right is attributed, in the event of a merger or demerger if so provided by the relevant project. The right of the person to whom the increased voting right is assigned to irrevocably renounce (in whole or in part) the increased voting right at any time, by means of a written notice to be sent to the Company, it being understood that the increased voting right may be reacquired with respect to the shares for which it was renounced with a new entry in the Special List and the full expiry of the period of continuous membership of not less than 24 months. The increased voting right is also counted for the purposes of determining constitutive and deliberative quorums which refer to share capital ratios, but has no effect on the rights, other than voting rights, accruing by virtue of holding certain share capital ratios. For the purposes of the continuous ownership provided for in this paragraph, ownership prior to the date of registration in the Special List is also taken into account.

## TITLE V

### Article 10 – Board of Directors

10.1 The Company shall be managed by a Board of Directors composed of a minimum of three directors and a maximum of seven directors, as determined by the resolution of the shareholders at the time of the election.

The non-compete obligation upon directors, pursuant to Article 2390 of the Italian Civil Code, does not apply.

Candidates for election to the Board of Directors shall be elected on the basis of slates submitted by shareholders, on which candidates must be listed in the order in which they will be elected on the basis of the requisite vote. Slates shall be deposited at the Company’s registered office no later than twentyfive calendar days prior to the date set for the Shareholders’ Meeting for which the election of directors is on the agenda. Any Shareholder, acting individually or through a nominee, may submit or join in the submission of a single slate and may cast its vote for a single slate. Each candidate for election to the Board of Directors may be listed on a single slate, and shall automatically be ineligible for election if named on multiple slates. Only Shareholders who, alone or together with other Shareholders joining in the submission of the slate, represent at least 6% of the voting rights at the Shareholders’ meeting at which directors are to be elected, are eligible to submit the slates, such eligibility to be established by filing an appropriate certification to that effect. Certification of the ownership of the number of shares necessary for submission of a slate must be produced at the time of deposit of the slate or at a later date, provided that such certification is provided by the deadline for the deposit of a slate.

Together with and at the same time as the deposit of a slate, the following shall be filed, with failure to comply with such filing requirements leading to the candidates named on the slate being automatically ineligible for election: (i) biographical information for each candidate; (ii) information on the identity of the Shareholders who have submitted the slate, with an indication of the total percentage of the Company’s share capital held; (iii) consent by each candidate to be named in the slate and certification, under his/her own responsibility, that no grounds for ineligibility or incompatibility to serve as a member of the Board of Directors, as well as the satisfaction of the requirements prescribed by applicable law to be a director of the Company, including, where applicable, whether the candidate would be an independent director, if elected, and (iv) such other statements or information as required by law or applicable securities exchange rules and regulations.

---

Any slates submitted without compliance with the above requirements shall be deemed not to have been submitted.

Directors shall be elected as follows: a) candidates for election as directors equal to the number of seats on the Board of Directors minus 1 shall be selected from the slate that receives the greatest number of votes cast (the "Majority Slate") shall be elected in the order in which they are listed on the slate; b) the first candidate listed on the slate that receives the second greatest number of votes cast (the "Minority Slate") shall be elected as director so long as the Minority Slate is not connected in any way, directly or indirectly, with the Shareholders who submitted or voted for the Majority Slate.

In the event that the Majority Slate does not contain a sufficient number of candidates to fill the number of vacancies on the Board of Directors to be filled as provided in clause a) above, all candidates listed in the Majority Slate shall be elected directors and the remaining directors shall be elected from the Minority Slate according to the order in which they are listed in such slate. The voting procedure according to slates provided above shall be applicable only in case of election of the entire Board of Directors.

In the event of a tie between slates, a new vote shall be taken and the candidates obtaining the largest number of votes shall be elected without regard to the slate on which they are listed or application of the slate voting mechanism.

Should a single slate be submitted, the Shareholders eligible to vote at the meeting shall cast their vote on such slate and, so long as more votes are cast for such slate than votes cast against such slate, all the members of the Board of Directors shall be elected from that slate in accordance with applicable law at the time.

If no slates are submitted, or a single slate is submitted and such slate does not obtain the requisite number of votes, or the number of directors to be elected on the basis of the slates submitted is less than the full number of directors to be elected, or the entire Board of Directors is not to be entirely elected, or it is otherwise not possible for any reason to elect the Board of Directors in accordance with the provisions of this title, the members of the Board of Directors shall be elected at the Shareholders' meeting in accordance with generally applicable procedures and required majorities under applicable law, without application of the slate voting mechanism.

10.2 Directors shall be elected for a three-year term and may be re-elected, except as otherwise resolved by Shareholders at the time of their election.

10.3 The Board of Directors shall appoint a Chairman among its members, unless the Chairman is not appointed by a vote of Shareholders', as well as a Deputy Chairman.

10.4 Meetings of the Board of Directors may be called by the Chairman or the Deputy Chairman and shall be called upon request by at least one director or by the Board of Auditors.

10.5 Resolutions of the Board of Directors' shall be deemed validly adopted if a majority of directors in office are present at the meeting.

10.6 Resolutions of the Board of Directors shall be deemed approved with the favourable vote of a majority of the directors present at the meeting.

10.7 The Board of Directors may act with respect to any and all matters related to the ordinary and extraordinary affairs of the Company as necessary and/or appropriate for the conduct of the Company's business in accordance with its purpose.

---

The Board of Directors shall also have authority with respect to the following matters:

- a) resolutions concerning mergers in the cases referred to in Articles 2505, 2505-bis and 2506-ter of the Italian Civil Code;
- b) reduction of the share capital in case of withdrawal of a shareholder;

The Board of Auditors shall be elected on the basis of slates submitted by Shareholders, on which candidates must be listed in the order in which they will be elected on the basis of the requisite vote. Slates shall be deposited at the Company's registered office no later than twenty-five calendar days prior to the date set for the Shareholders' Meeting for which the election of members of the Board of Auditors is on the agenda. Any Shareholder, acting individually or through a nominee, may submit or join in the submission of a single slate and may cast its vote for a single slate. Each candidate for election to the Board of Auditors may be listed on a single slate, and shall automatically be ineligible for election if named on multiple slates. Only Shareholders who, alone or together with other Shareholders joining in the submission of the slate, represent at least 6% of the voting rights at the Shareholders' meeting at which members of the Board of Auditors are to be elected, are eligible to submit the slates, such eligibility to be established by filing an appropriate certification to that effect. Certification of the ownership of the number of shares necessary for submission of a slate must be produced at the time of deposit of the slate or at a later date, provided that such certification is provided by the deadline for the deposit of a slate.

Together with and at the same time as the deposit of a slate, the following shall be filed, with failure to comply with such filing requirements leading to the candidates named on the slate being automatically ineligible for election: (i) biographical information for each candidate; (ii) information on the identity of the Shareholders who have submitted the slate, with an indication of the total percentage of the Company's share capital held; (iii) consent by each candidate to be named in the slate and certification, under his/her own responsibility, that no grounds for ineligibility or incompatibility to serve as a member of the Board of Auditors, as well as the satisfaction of the requirements prescribed by applicable law to be an internal auditor, including those relating to independency, and (iv) such other statements or information as required by law or applicable securities exchange rules and regulations.

Any slates submitted without compliance with the above requirements shall be deemed not to have been submitted.

Members of the Board of Auditors shall be elected as follows: a) candidates for election as auditors equal to two statutory members and one alternate for the Board of Auditors shall be selected from the slate that receives the greatest number of votes cast (the "Majority Slate") shall be elected in the order in which they are listed on the slate; b) the remaining statutory member (who will act as President of the Board of Auditors) and alternate for the Board of Auditors will be drawn from the slate that receives the second greatest number of votes cast (the "Minority Slate") so long as the Minority Slate is not connected in any way, directly or indirectly, with the Shareholders who submitted or voted for the Majority Slate. In the event that the Majority Slate does not contain a sufficient number of candidates to fill the number of vacancies on the Board of Auditors to be filled as provided in clause a) above, all candidates listed in the Majority Slate shall be elected internal auditors and the remaining internal auditors shall be drawn from the Minority Slate according to the order in which they are listed in such slate. The voting procedure according to slates provided above shall be applicable only in case of election of the entire Board of Auditors.

---

In the event of a tie between slates, a new vote shall be taken and the candidates obtaining the largest number of votes shall be elected without regard to the slate on which they are listed or application of the slate voting mechanism.

Should a single slate be submitted, the Shareholders eligible to vote at the meeting shall cast their vote on such slate and, so long as more votes are cast for such slate than votes cast against such slate, all the members of the Board of Auditors shall be elected from that slate in accordance with applicable law at the time.

If no slates are submitted, or a single slate is submitted and such slate does not obtain the requisite number of votes, or the number of internal auditors to be elected on the basis of the slates submitted is less than the full number of internal auditors to be elected, or the Board of Auditors is not to be entirely elected, or it is otherwise not possible for any reason to elect the Board of Auditors in accordance with the provisions of this title, the members of the Board of Auditors shall be elected at the Shareholders' meeting in accordance with generally applicable procedures and required majorities under applicable law, without application of the slate voting mechanism.

In the event of the resignation or removal termination of a member of the Board of Auditors who was drawn from the Majority Slate or from the Minority Slate, as the case may be, alternate internal auditors drawn from the same slate shall fill the vacancy in declining order of age, subject to compliance with the requirements of this corporate charter

regarding the composition of the Board of Auditors. The election of internal auditors to fill other vacancies on the Board of Auditors pursuant to Article 2401 of the Italian Civil Code shall be approved at a Shareholders' Meeting with the affirmative vote of an absolute majority of those present and voting and in compliance with the principle of the appropriate representation of minority shareholders. In the event of the removal or resignation of an internal auditor chosen from the Minority Slate, the principle of appropriate representation of minority shareholders shall be deemed to have been complied with is an alternate auditor drawn from the Minority Slate is appointed.
